AMY - Suspension

Details

Amy modern chandelier is a new take on the classic mid-century modern chandeliers of the 50s and 60s. Inspired by the great singer and songwriter, this unique chandelier tries to embody the soul of the British legend. With a body handmade in brass and five aluminum shades, this mid-century modern chandelier looks exactly like it was made in the 50s. The shades are adjustable so that you can create the right lighting effect for your room. All in all, it is a classy black chandelier and a great modern dining room lighting solution.

ARETHA - Suspension

Details

Drawing inspiration from one of the most acclaimed jazz singers of all time, DelightFULL®'s designers created Aretha modern chandelier. It is a contemporary reinterpretation of mid-century lighting design classics that were used in the 50s and 60s. The body is 100% handmade in brass and the several bulb holders are made of aluminum. Nickel-plated is the standard finish for the body, while glossy white is used for the sockets.

ATOMIC PENDANT - Suspension

Details

Atomic light pendant by DelightFULL is a modern design interpretation of the atomic age, inspired by the composition of the atom. Building this unique lighting design using materials such as brass, steel and aluminum, DelightFULL's skilled artisans arranged it in an abstract composition, just like the non-conventional molecular forms. Both a glossy black and a gold-plated finish were used for the body, while glossy black and gold powder paint were the chosen finish of the shades. This stylish suspended ceiling light is the right fit for a contemporary living room, or even for a more modern master bedroom.

ATOMIC CHANDELIER - Suspension

Details

Atomic round chandelier was inspired by the molecular composition of the atom as a nod to the atomic age and race to space mid-century era. DelightFULL's designers created a round set of spotlights all arranged to look like the non-conventional molecular forms. This unique black chandelier is all handmade in brass and steel, with a gold-plated finish on the body and lacquered a glossy black on the round shades. The inside of the spotlights is lacquered a gold powder paint, in order to create a smoother light to the human eye. The right modern dining room lighting design, Atomic round chandelier cannot be missed. It is also suited for a more Scandinavian style living room, being the perfect example of class meets fun.

AMY - Floor

Details

Amy vintage floor lamp was inspired by the great jazz singer and songwriter: Amy Winehouse. Amy has a vintage retro style that embodies the soul of the British artist and the 50s interior design style. With a glossy black lamp shade that bears a resemblance to Amy's legendary hair and a small gold powder paint detail that recall us of her golden earring, the brass floor light suits the most demanding mid-century modern setting. The flexible lamp shade is what makes this modern lamp, the perfect reading light for your vintage bedroom or retro home office since it will point in any direction you need. Note that Amy floor lamp features a footswitch that is on the cord, and the brass detail on the lamp shade has the sole purpose of adding a more modern aesthetics feeling.

ARMSTRONG - Floor

Details

Inspired by the first person to walk on the Moon, Armstrong arc floor lamp has a minimalistic style with a clear usability, perfect for every single modern Scandinavian living room or office. This Nordic light combines a mid-century design with a structure handmade in brass and a base in white Carrara marble. The oval aluminum lamp shade is softened with a matte white finish. Armstrong arc lamp can reach a height of 59.1 inches with the help of the adjustable balance arm. With a counterweight made of steel, this mid-century lamp directs light anywhere a task light is needed, providing an exquisite touch to your interior design.

BOTTI - Floor

Details

Botti floor lamp was inspired by the jazz musician of Chris Botti. The mid-century floor lamp is handmade in brass with a gold plated finish that reminds of a real trumpet due to its unique shape. With an aluminum base, this modern floor light can be customized in marble, giving an even more luxurious design to your mid-century modern interior. This brass floor lamp has eight spotlights which offer a soft lighting and goes as tall as 70,9 inches. Botti art deco floor lamp showcases a high-quality craftsmanship, that will definitely make a statement in your sophisticated classic living room design or mid-century hotel lobby. Botti contributes a jazzy and mid-century vibe as does the gold plated and white glossy finishes.

BRUBECK - Floor

Details

Dave Brubeck was the inspiration for one of DelightFULL's™ more luxurious floor lamps. The art deco floor lamp represents in every single detail the way the jazz pianist musician blended very demanding rhythmic structures with improvisation in expressive and accessible ways. Therefore, in this lighting design, you can find asymmetrical gold plated tubes in order to attribute a contemporary lighting effect. However, you can customize this modern floor light, since it is available a wide range of finishes: gold, nickel or copper plated, brushed brass or nickel, aged brass or any RAL lacquered color of your choosing. The base of this mid-century modern lamp is handmade in steel with a matte black finish. All in all, Brubeck brass floor lamp is a functional and sculptural lighting able to enlighten any setting with its height of 65.7 inches.

DIANA - Floor

Details

Meet Diana floor lamp, the tallest floor lamp of Heritage collection. Diana is an industrial floor lamp with a mid-century modern design, perfect for big industrial lofts and artistic studios. Built out of steel with a nickel plated finish, this floor light has a giant lamp shade that features a glossy red lacquer on the outside and a matte white interior finishing. However, the colorful aluminum lamp shade can be customized with any RAL color and will point light in every direction you need it, since it has a flexible lamp shade. This floor light is perfect for lighting while reading or working or even for ambient lighting. Going as high as 90.5 inches with a switch on the top, Diana XL floor lamp will turn any room into a giant colorful inviting space. Could it be more unique than this?

COLTRANE - Floor

Details

Inspired by the American jazz saxophonist and composer John Coltrane, Coltrane floor lamp embodies the avant-garde jazzy vibe that this legendary musician transmitted in every music concert. Handmade in brass and aluminum, the minimal black floor lamp has a matte black finish on the three lamp shades with a gold powder paint on the inside, that provide a smooth lighting effect. This functional floor lamp is ideal for minimalist settings, as well as for, mid-century modern reading nooks.

DUKE - Floor

Details

Duke Ellington has been an inspiration to the world to many artists and musicians like Dave Brubeck and Miles Davis. Therefore, DelightFULL's designers have decided to pay a tribute to this iconic jazz musician and create Duke floor lamp. With a short silhouette and a single swing, Duke floor lamp is a retro-styled accessory for every single mid-century modern interior design. Each cone lamp shade is conducted by a brass arm and its counter-weight. The matte black shades drape on the sides to reveal a white interior and have gold plated accents at the sockets. The three-cone shades that adjust vertically and horizontally have an overall height of 63.7 inches.

EVANS - Floor

Details

With a mid-century modern vibe, this Evans floor lamp has three diffusers. Each shade is moveable and adjusts making this a very functional light source that can be changed depending on where it is placed. This tripod floor lamp features an avant-garde design that will provide a light-filled optimism to your mid-century modern interior design. The matte black & gold powder paint finishes are a great accent for any space. With a height of 74 inches, the on/off switch is conveniently located for a quick and easy use.

HANNA - Floor

Details

Hanna is a vintage floor lamp that will suit perfectly in your mid-century modern living room or vintage retro design hallway. With a structure made of polished marble estremo and with multiple lamp shades made of brass and aluminum, this floor light is a pure mid-century modern lamp full of grace and charm. Its flexible lamp shades allow you to spread the light anywhere you want it to be. Bathed in gold plated and matte white finishes, Hanna showcases a high-quality craftsmanship, since it was applied an ancient technique called hand metal spinning. On the whole, this brass floor lamp reports to a classical ambiance, back to art deco, evoking a powerful mid-century modern design.

JACKSON - Floor

Details

From music to cinema, or even design, Michael Jackson was and still is one of the greatest icons of all times. That's why DelightFULL's designers decided to pay a tribute to this amazing performer, by designing one fabulous piece that embodies rhythm, exposed mechanical elements, and luxurious finishes, never forgetting the inspirations for the 80s. We present you Jackson floor lamp. This tripod floor lamp is the perfect spin from mid-century design classics to a commemoration of pop culture. Tailor-made in brass, Jackson floor light features three lamp shades with matte black and gold plated finishes and textile red wires. With adaptable lamp shades, this mid-century floor lamp points light wherever a task light is needed.

JANIS - Floor

Details

Inspired by Janis Joplin's music "Best of The Best Gold", Janis floor lamp recovers the golden jazz spirit of the 60s. Covered by a golden bath, this entrance floor lamp was designed to make a powerful statement with its mid-century modern design. With almost 67 inches, Janis is 100% handmade in brass, boasting a high-quality craftsmanship. This tall standing lamp fits beautifully in a modern entryway or in a classic living room corner since it is an excellent match for both contemporary and classic decors.

MATHENY - Floor

Details

Matheny stilnovo floor lamp came to reinvent classic designs with a high aesthetic feeling. Gathering influences from American jazz guitarist Pat Metheny, DelightFULL's designers created a lamp that incorporates elements of progressive, mid-century and contemporary design. Going as tall as 65 inches, this tall floor lamp is composed of geometric golden tubes that reflects the sophistication of the mid-50s. With a structure handmade in brass and gold plated and glossy black finishes, this elegant corner lamp provides high-quality craftsmanship. Ideal for a classic living room with a modern design and for hotel projects, place this mid-century floor lamp as a centerpiece of art.

MILES - Floor

Details

Inspired by the American jazz trumpeter, bandleader, and composer: Miles Davis, DelightFULL has created a mid-century floor lamp that will bring back the sophistication and elegance of the 50s. The black floor lamp has a vintage style that will provide a more welcoming and refined atmosphere to every single mid-century modern bedroom set or living room area. Miles floor lamp is the magnificent combination of a gold plated frame and a black marble portoro base. With a matte black finish and a structure 100% handmade in brass, the vintage floor lamp has a black ornament that provides a balanced design to the modern lighting. The brass floor lamp casts a smooth light that can be turned on using a gold pendant switch, that will surely make you feel in a "Kind of Blue" mood.

NEIL - Floor

Details

Neil floor lamp is a reminiscent lamp of the golden years of space. Around, brass base secures a black matte stem reaching up into three glossy black finished lampshades with a futuristic style. The three arms with adjustable lights provide a good peripheric light range. The elegance of the continuous flowing center tubes gives a floating sensation to the whole piece, that would be perfect in a retro style living room next to a lounge chair or in a luxurious lobby. The gold plated body is the ultimate detail in this retro floor lamp. Handmade in brass tubing using a classic method of bending the brass twice into a rounded oblong shape that allows for bright and load casts of light holding spherical diffusers with a retro design.

PASTORIUS - Floor

Details

Like the influential Jaco Pastorius jazz composer but also a gifted electric guitar player, Pastorius standing lamp revives the 70s design aesthetics with a dual character. The result is a sophisticated and highly functional brass floor lamp with two distinct diffusers that can be lit alternatively. Therefore, the vintage floor lamp allows you to point the light where you need it the most. Pastorius is the ideal corner light for your mid-century living room and reading corner since this adaptable floor lamp can provide any space the perfect reading lighting. The black and white floor lamp has a structure made of brass and lamp shades in acrylic and aluminum with a matte black and glossy white exterior.

SCOFIELD - Floor

Details

Scofield is an unusual floor lamp with five chrome lights all supported by a white brass base. Each light and bracket rotate separately allowing different light focuses. The mid-century modern floor lamp has round lamp shades in aluminum, that can support different activities and create an industrial design in the room. With matte white and a nickel plated finish, the sleek standing lamp can be customized with any RAL color of your choosing, adding a more personalized and welcoming atmosphere to your modern industrial interior design.

SIMONE - Floor

Details

Inspired by the one and only Nina Simone, DelightFULL designers have taken a classic lighting design and reinterpreted it into a fresh mid-century floor lamp. Much like Mz.Simone, this unique lamp is a strong statement piece, that cannot go unnoticed wherever itâ€™s placed. Simone is a three-light articulating floor lamp with glossy white shades and a structure handmade in brass. With textile red wires above the large lamp shades, this retro light will create the perfect atmosphere for your mid-century modern home. All in all, Simone standing lamp aims to pass on Simoneâ€™s powerful personality, as well as her bold and warrior features.

SINATRA - Floor

Details

If you ever find yourself listening to “New York, New York” by Frank Sinatra while drinking a cocktail in a mid-century bar, this lighting design will be there. A sculptural and versatile creation, the iconic modern floor lamp features three articulating arms handmade in brass that are adjustable in a variety of different locations in order to allow you to situate the lights exactly as you need it. It has a height of 70.9 inches and sits on a brass base with a counterweight made in steel for a sleek contemporary style. This task floor lamp exudes a mid-century modern flair that will elevate your art deco interior design.

STANLEY - Floor

Details

Stanley floor light is a style icon of the fifties and sixties. With the possibility of having 1 to 3 moveable arms, this vintage style floor lamp will add effortless style to your mid-century modern reading nook. The adjustable 3-light floor lamp holds three boom arms, creating custom light effects due to its glossy black & matte white lamp shades. Each shade is balanced by a weighted handle. With clean lines and a sculptural shape, this gleaming nickel plated lamp will make you want to curl up with a book in your reading chair under the warm glow of your mid-century reading light.

STARDUST - Floor

Details

Stardust floor lamp is a mid-century modern revolving lamp that was inspired by the stellar orbits. The main goal of this lighting design is to light up your mid-century modern home just like the constellations do it at night. Constructed out of brass tubing into a rounded oblong shape, this modern floor lamp will shine brightly due to the light cast by the bulbs arranged in the same way as a candelabra. Ideal for a mid-century modern dining room and a vintage living room, this gold-plated floor lamp will bring an astral beauty to your space.

TURNER - Floor

Details

Turner floor lamp was inspired by Tina Turner's electrifying dance moves. Ideal for any hotel design project, this art deco floor lamp will fit perfectly in a modern lobby entrance or next to a mid-century lounge chair. This mid-century floor lamp has five large arcs made of brass and a semi-spherical top cover of aluminum lacquered in glossy white or any other RAL color of your choosing. With the possibility of rotating its arcs into the desired position, Turner floor light is perfect for anyone looking for a practical lighting design with a cutting-edge design. All in all, this modern corner lamp allows you to create your favorite composition at any time, elevating your mid-century modern decor.

DIANA - Table

Details

Diana is a vintage table lamp inspired by some of the greatest design classics of the mid-century era. It is a handmade lamp built with materials such as brass and aluminum. Brass was used on the body, whilst aluminum was chosen for the shade. The aluminum shade is lacquered a glossy red on the outside and matte white on the inside, while for the body a nickel-plated finish was chosen. However, both these colors and finishes can be customized according to your needs. This small lamp is easily the perfect reading light, having a movable and adjustable shade, that casts light to where it is needed. It best fits more minimalist or industrial environments. The perfect study table lamp.

MARCUS - Table

Details

Marcus table lamp was inspired by Dieter Rams strict design philosophy and timeless aesthetic. This contemporary black table lamp is one of DelightFULL's most versatile pieces. With only 11 inches, it is handmade in brass, aluminum, steel and acrylic, which are all combined to make the best lighting design. The body features a nickel plated finish, while the base and the shade are built in aluminum and lacquered a matte black to create a more neutral expression and showcase the versatility of the small table lamp. With its minimalist vibe, it could definitely be used as a nightstand lamp in a Scandinavian bedroom. It is also a great modern desk lamp that would look incredible in a more contemporary home office.

TURNER - Table

Details

Turner art deco table lamp was inspired by the electrifying and memorable dance moves of the iconic pop singer. Tuner is a large table lamp handmade in brass and aluminum. The body has a gold plated finish, while the shade was lacquered a black matte on the outside and a gold powder paint on the inside, so as not to create an uncomfortable glaze for the user. Its five movable arcs can be rotated into the desired position, which gives this black table lamp a sense of fun, and allows you to create the best composition to fit your modern home decor. A versatile piece, that can be used in almost any room of your house, this brass desk lamp looks its best when placed in a modern home office or art deco inspired living room.
