With its unique shape, this exquisite lamp is handmade in brass and features a gold-plated finish, proof of some of the most high-quality craftsmanship in the lighting design world. Cannonball is a modern brass pendant lamp which will give an elegant and sophisticated touch to your mid-century modern living room.

The Timeless Design - Basie Suspension Lamp

Basie Suspension Lamp

Basie is a vintage mid-century pendant lamp that brings you a timeless design. Featuring a gold plated body and a matte white shade this white chandelier creates a vintage style that is perfect for any design project. With an elegant and alluring finish, this unique pendant adds a subtle elegance to your dining room lighting. With its body made of brass and its shade of aluminum, it has 39.4 inches of cord height that allows you to create a classic and sophisticated style.

The Party Starter – Dorsey Suspension Lamp

Inspired by the acclaimed jazz trumpet player Tommy Dorsey, this mid-century modern chandelier is a unique lighting fixture that embodies the musicality of the 1950s. Allying the best of ancient techniques with the modern expertise of high-craftsmanship, Dorsey is a handmade brass chandelier, with aluminum lamp shades. The telescopic tubes that make up the body boast a gold-plated finish, while the lamp shades and center are lacquered a matte black. It is a unique chandelier, perfect for a mid-century hotel lobby, or an art deco-inspired restaurant. It can also be used in private residences, especially as a dining room lighting fixture.

Dorsey Suspension Lamp

The Graceful Light - Hank Suspension Lamp

Hank Suspension Lamp

Inspired by the iconic mid-century era, Hank suspension light brings a graceful, organic shape to any room. Perfect for a mid-century modern interior, this lighting design offers the open look that is a great choice for today's demand of stylish interior. This dazzling lamp has its body in brass and its shade in aluminum. Its stunning telescopic tube has 27, 5" | 70 cm and its body is gold plated as its shade with black matte makes this an irresistible selection. When it comes to décor, this marvelous and inspiring piece is highly recommended in a mid-century hotel lobby or living room.

Elegant Mood Giver – Hendrix Suspension Lamp

Hendrix Suspension Lamp

Inspired by the millions of vinyl records sold by the famous American guitarist, DelightFULL has created this elegant gold-plated luminaire. Proof that high-quality craftsmanship and ancient know-how can create stunning lighting fixtures, the Hendrix pendant lamp has come to revolutionize the mid-century lighting design world. Its simple geometry was designed to ensure that all the five gold-plated brass tiers are struck by the rays of light in the same angle, creating a glare-free illumination. The light is pushed downward in the funnel, where it is then dispersed, leaving a soft glow directly under it at the same time it bounces back some of the lighting power upward on the dome. This ensures the creation of a warm and cozy atmosphere, perfect for a mid-century living room decor, or even a more contemporary entryway.

Poetic and Classic Shape - Laine Suspension Lamp

Laine Suspension Lamp

DelightFULL's designers created Laine suspension lamp with the mid-century vibe in mind. Inspired by the iconic era that brought so much culture to the world, this set of spotlights arranged like magic is in your home, this modern ceiling light comes to redefine what mid-century lighting is all about. With its body made of brass and its shade of aluminum, it's simply poetic and extravagantly scenic. Delicate telescopic tubes with its body in gold plated color and its shade in glossy white, it will only add beauty and a classical touch to your interior design.

DelightFULL's Seasonal Choice – Scolfield Floor Lamp (White or Red)

Scolfield Floor Lamp

Scolfield is an unusual floor lamp with five chrome lights all supported by a white brass base. Each light and bracket rotate separately allowing different light focuses. The mid-century modern floor lamp has round lamp shades in aluminum, that can support different activities and create an industrial design in the room. With matte white and a nickel plated finished, the sleek standing lamp can be customized with any RAL color of your choosing, adding a more personalized and welcoming atmosphere to your modern industrial interior design.
