

ARETHA | SUSPENSION

Drawing inspiration from one of the most acclaimed jazz singers of all time, DelightFULL's designers created Aretha modern chandelier. It is a contemporary reinterpretation of mid-century lighting design classics that were used in the 50s and 60s. The body is 100% handmade in brass and the several bulb holders are made of aluminum. Nickel-plated is the standard finish for the body, while glossy white is used for the sockets.
