

COSMO | SUSPENSION

Designed as a tribute to the mid-20th century race to space, Cosmo modern chandelier is inspired by space, galaxies and the planets that surround us. It is a memorable lighting fixture, with very unique details that make it the luxurious bespoke design piece that it is. Handmade in brass and steel, the body is covered by a gold-plated finish, while the stainless steel shades are lacquered a glossy black and glossy white on the outside. It is an intricate design piece to put on display at the entrance of a modern hotel, or to use as a modern dining room lighting fixture.
