

ETTA ROUND | SUSPENSION

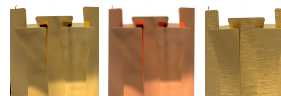

Inspired by the feminine glow cast by one of the greatest jazz singers of all times, DelightFULL has created Etta round suspension. It is a sophisticated and very functional chandelier lighting design suited for the most luxurious settings you can think of. It is handmade in brass, with the additional unique feature of each one of its leaves being shaped and assembled by hand. The gold brushed standard finish gives this brass chandelier a true sense of luxury. Seeing as this is a bespoke lighting design, every feature can be altered to meet your expectations and requests. Etta is the perfect chandelier lighting for a luxurious lobby at a five-star hotel, but it also looks amazing in a grand dining hall.
