## HENDRIX | SUSPENSION

Inspired in the nostalgic vinyl player and a tribute to all blues, especially to one of the most creative and influential musicians of the 70's: we present you Hendrix wall lamp. This singular mid century modern light fixture captures your attention letting you the retro feeling of the acoustics of the Hendrix guitar and reminding us of the high fidelity audio reproductions, the acoustic sound passing to a melody of beautiful effects and reflections, created with three symmetric light sources, casting a perfect caustic phenomena reflected that gives life to any living interiors.
